<b>Hours</b>	Full-time
<b>Location</b>	1 Wimpole Street, London, W1G 0AE
<b>Reports to</b>	Grants Coordinator
<b>Salary</b>	£25,800 – 27,000 (commensurate with experience)
<b>Duration</b>	Permanent

### Background

Imagine a world in which everyone has access to quality healthcare. For 30 years THET has been working to build that world. We are a global voice for health workers, working to transform the quality and availability of medical training around the world. We provide responsive health workforce development programmes where they are needed the most. We believe that the transformational power of health partnerships is an innovative tool to strengthen health systems. Our approach is based on a collaborative model that generates North-South and South-South mutual benefits.

The THET Grants Management team manages grants for health partnership initiatives on behalf of donors who support global health workforce development. THET currently manages the Africa Grants Programme supported by the Johnson and Johnson Foundation, and the DHSC-funded Commonwealth Partnerships for Antimicrobial Stewardship. These programmes provide tailored support to health partnerships to design, deliver and evidence effective human resources for health projects that train health workers to address a range of health issues in LMICs.

### Purpose

To effectively manage a portfolio of grants and provide support to grant holders in order to facilitate the delivery of quality projects on time and on budget.

### Key responsibilities

- In consultation with other members of the Grants Management Team, implement transparent and effective grants management processes;
- Review reports and monitor progress of projects to verify that grant holders are implementing grants to address agreed objectives in a timely manner and in-keeping with good practice;
- Work closely with colleagues to coach and support grant holders in the management of their activities, funding and partnership;
- The above responsibilities are indicative but not exhaustive and can be amended to reflect changing business requirements.

Below are more details of the focus of this role.
